WEALTH PRINCIPLE:

The only way to permanently change the temperature in the room is to reset the thermostat. In the same way, the only way to change your level of financial success "permanently" is to reset your financial thermostat.

WEALTH PRINCIPLE:

Consciousness is observing your thoughts and actions so that you can live from true choice in the present moment rather than being run by programming from the past.

WEALTH PRINCIPLE:

You can choose to think in ways that will support you in your happiness and success instead of ways that don't.

WEALTH PRINCIPLE:

WEALTH PRINCIPLE:

Rich people believe "You can have your cake and eat it too." Middle-class people believe "Cake is too rich, so I'll only have a little piece." Poor people don't believe they deserve cake, so they order a doughnut, focus on the hole, and wonder why they have "nothing."
